Rangers assisted Sacramento County Sheriff Deputies with a shooting investigation on the bridge between River Bend Park and William Pond Park. One individual was shot and was transported to the hospital with non-life threatening wounds. The Sheriff's Department took the lead on this investigation.

Rangers also assisted the Sheriff Department by searching River Bend Park for a suspect who fled an assault with a deadly weapon (firearm) from a surrounding neighborhood. The suspect was not located within the park.

Rangers assisted with a death investigation on the American River Parkway under the Howe Avenue bridge. This death was ruled suspicious and turned over the Sacramento County Sheriff's Department to investigate. There was also an assault with a deadly weapon investigation at one of our Delta parks involving a suspect setting fire to another person at the Cliff House parking lot. This crime occurred prior to Rangers being on duty, so the Sheriff's Department was dispatched and handled the investigation and will continue to handle the follow up investigation.

Sacramento County Connect 311 Reports:

This section will now only include citizen's reports that require a Ranger response. The platform changed at the end of last year allowing us to send garbage and maintenance related issues directly to our maintenance team without having to go through the ranger division first. Our goal is to make our operations more efficient. The following is a breakdown of the 37 Ranger division reports received in January 2018:

- Illegal camping-----32
- Graffiti-----1
- Illegal dumping - - 1
- Motor bike on trail--1
- Not our park-----1
- Smell of smoke-----1
