## October 2015

- There are several street lights not working. – Discovery
- I saw two women setting up a camp site near the river at Sutter's Landing Park.
- Homeless have set up a camp in field behind our house (between Dry Creek Road & Cherry Lane).
- Tent 8x10 set up in Riverbend Park. This tent is about 75 feet from the one I reported last week.
- Illegal camp -North side of Camp Pollock
- Two illegal camps - #1: About 50-75 yards east of mile marker 18. #2: 0.5 mile west of Watt Ave bridge on the south riverbank.
- 12!! dogs off-leash on horse trail at Sailor Bar. There were also many dogs off-leash all along the river. 2 different encounters with bicyclists on horse trail
- Saw the grazing sheep/goats and was very please at this mixed use. Great idea and use of a natural preventive resoruce.
- Near the river end of the Howe Avenue Pumping Station discharge there is an illegal campsite.
- The bathrooms at Sailor Bar need maintenance. They are very smelly and riddled with flies.
- There are numerous illegal campsite near the Cal Expo area, from the spot known as Dog Beach
- 3 or 4 men working on bikes in nature area of the park. I could hear them banging on the bikes or metal with a rock or hammer.
- There are several dead oak trees along the trail that are extremely dangerous. Limbs have been falling periodically and the runners, hikers, and walkers along the trail are endangered – Hoffman
- I noticed a tent not far from where I reported one several days ago (where there is still a shopping cart and some other stuff –Howe
- Small homeless camp. Intersection of Franklin Blvd and Villagewood Drive (Regional Sanitation Bufferland)
- There were 4 or 5 men and their bikes on the ground just south of the tan tent I reported 10/12/15.
- Watt Ave. are signs of illegal fire ring. w/ two metal patio type chairs overlooking the river.
- The area along the river from Dog's Beach to the end of the bridal trail behind Cal Expo is filling up with illegal campers
- Maintenance people on the bike trail 10/14 am in a vehicle blowing dirt directly into all of our eyes and faces
- Riding my bike westbound and veered off the trail. The front tire caught the low shoulder in the construction area. William Pond
- This is an ongoing problem that is get worse...I walk the trail from mile 11-12 and beyond and have been scared and disrupted by bicycles on the horse trail
- My property buffers Sailor Bar Park. A couple of large oak trees are dying and in risk of falling on my house
